I'M HOOKED ON WEFT

Hello this is _____ (of _____).

I got hooked on WEFT when I started listening to _____. But now that is just one of the many reasons that I am hooked on WEFT.

Why are you hooked on WEFT? Is it for the crazy late night stuff? The Blues? The Jazz shows? Maybe it's the fact that you love the Public Affairs.

What hooked you and what keeps you listening are the reasons that we want and need WEFT to stay on the air.

Can we do it? Can we keep WEFT on the air? We can if you and I both put our money where our mouth is. Pick up the phone or go on line and call right now. The number is 359-9338. Let's keep WEFT alive and well and on the air.

I'm A WEFT MEMBER -- Will you be a WEFT Member too?

Howdy! this is _____ (of _____).

I'm a member of WEFT -- Will you be a WEFT Member too?

I know it's a big step to take the first plunge in becoming a WEFT member. But it's listeners like you...taking that first step that can make all the difference.

One of the very cool things about becoming a WEFT member is that you can take the airshifter training for free. But if you don't want to do that ...that's okay. WEFT will keep the tunes and news coming. But not without members.

Okay, have I convinced you? All you need to do is call Call [359-9338](tel:359-9338) or pledge your support at weft.org.

Please join me in becoming a member today.
